Website Development

At **Hospera**, we specialize in designing and developing websites tailored specifically for tourism accommodations. Our expert solutions enhance your online presence and streamline your operations in the most efficient way possible.

A professional website is essential for the success of your business. It elevates your brand image, helps attract new visitors, and increases bookings without relying on intermediaries.

We offer four specialized products for dynamic website development, including online booking systems, calendar synchronization, and direct payment options; all at **highly competitive prices**.

Online Me

Professional website design and development

Book Me

Online booking system
with calendar management

Sync Me

Synchronization of booking
calendars across platforms

Pay Me

Product Features

Online Me

Website Design & Development

At Hospera, we design and build dynamic websites tailored to your business needs. We provide all the tools you need to enhance your online presence, increase bookings, and manage your property with ease.

What we offer:

- **Mobile & Tablet Friendly Design:** Exceptional browsing experience across all devices.
- **Dynamic Pages (CMS):** A content management system for easy updates.
- **Texts & Descriptions:** Highlight your property and services effectively.
- **Photo Gallery:** Showcase your property in the best possible way.
- **Booking/Contact Forms:** Enable easy and direct interaction with your customers.
- **SEO Optimization:** Improve your website's search engine ranking and increase traffic.
- **Multilingual Support:** Offer content in two languages to reach a broader audience.
- **Google Maps Integration:** Facilitate the location of your property.
- **Corporate Email Setup:** Ensure professional communication.
- **Social Media Integration:** Build a comprehensive online presence and boost engagement.
- **Traffic Statistics:** Analyze your website's performance.
- **Google Business Account Creation:** Enhance your online presence and make it easier for prospective guests to find you.
- **Local Tourist Guide:** Provide a richer visitor experience, reduce workload, and increase site traffic.
- **GDPR Compliance:** Manage cookies and personal data securely.
- **Two Revision Cycles:** Ensure the final result meets your expectations.

With **Online Me**, you get your own website and enhance your online presence!

Book Me

Online Booking System

Empower your website visitors to check your property's availability and make direct bookings, enhancing their experience and simplifying the process like never before.

What we offer (in addition to **Online Me**):

- **Direct Booking System:** Allow guests to book directly through your website, eliminating third-party commissions.
- **Booking Calendar:** Provide real-time availability for seamless reservations.
- **Seasonal Price List:** Adjust rates based on different periods for optimized revenue management.

With **Book Me**, you enable direct bookings and avoid third-party commissions!

Sync Me

Booking Calendar Synchronization

Enjoy peace of mind and avoid the stress of double bookings or compensation costs for your business.

What we offer (in addition to **Book Me**):

- **Channel Manager Integration:** Seamlessly synchronize your website's direct bookings with short-term rental platforms, minimizing the risk of double bookings.

With **Sync Me**, you have synchronized booking calendars and avoid double bookings!

Pay Me

Direct Payment System

Offer your website visitors the convenience of making direct payments, providing them with a smoother and more comprehensive booking experience.

What we offer (in addition to **Sync Me**):

- **Direct Payment System:** Secure and fast payment options that enhance your guests' booking experience.

With **Pay Me**, you enable direct payments and enhance your customers' experience!

Trust Hospera!

Together, we'll make it happen!
